Hi all,

Our next Academic Computing Committee meeting is tomorrow (Tuesday Sept. 24) from 11:00 am to noon, in Bryan 416. The agenda is as follows:

1. Review and approval of minutes from Aug. 28 meeting. (Frances, will you have this ready?)
2. Status of updates to roles and descriptions of Faculty Senate committees.
3. Classroom polling survey results (Denise Cowardin -- see attachment).
4. Follow-up on data storage questions. (Discuss with Denise Cowardin; possibly arrange for future discussion with other IT personnel.)
5. Other follow-up on status of other technology priority issues from last year?

Cheers,
Dave
