

Academic Computing Committee Meeting Agenda
February 26, 2019, 11:00-12:00
Bryan 416

1. Review and approve minutes from Jan. 22, 2019 meeting:
2. Further discussion of classroom polling software options.
 - Discuss TopHat based on the demo posted by David Kirkland.
 - Next steps?
3. Resolve ACC representation on other Committees:
 - ATCC
 - Online Learning Committee – status updates? (ACC representation isn't shown on Faculty Senate committee webpage.)
4. Utility of academic resources on UNCG website: Would it be worthwhile to gather information on what resources are easy for faculty and students to find and which ones could be improved?
 - Discussion
 - Develop plan of action if we want to pursue this.
5. Update on committee charge.
6. Other topics?
